When you go to Arkansas or Texas you can travel in comfort if you know how. Ask the ticket agent for a ticket via the COTTON BELT ROUTE and you can ride in a reclining chair ear, without extra cost, and thus avoid the discomforts you would encounter in an ordinary car. The chairs are arranged so you can have a comfortable seat during the day and a good place to sleep at night. Each car is supplied with a ladies' dressing room and a gentlemen's smoker. You will not have to bother about changing cars, for these cars run through from Memphis and Cairo to Texas without change. Direct connections are made at Cotton Belt junctions with trains for all parts of Texas, Indian Territory, Oklahoma and the far West.

If you are thinking of taking a trip, write and tell us where you are going and when you will leave, and we will tell you how much your ticket will cost, what train to take so as to make the best time and connections, and anything else we can that will help make your trip a comfortable one. An interesting little booklet, "A TRIP TO TEXAS," will be mailed free to any address.
